

FUTURE ADVANTAGE

Workshops, Technologies & Competitive Advantage
Brought to you.

Only 8% of companies believe their business model will survive digitalisation at its current speed.

McKinsey, 2018

“Neither Redbox or Netflix are even on the radar in terms of competition.”

Jim Keyes
CEO of Blockbuster, 2008

Hi!

I'm [Amelia Kallman](#), a leading London futurist, speaker and author. As an innovation and technology communicator, I regularly consult for brands and agencies, and host events exploring the impact of new technologies.

Future Advantage ensures that your business isn't missing out on the important trends and innovations changing the future of business.

Empowering your team through presentations, workshops, and hands-on experience with the latest technologies, it's my aim to deliver the competitive advantage necessary to future-proof and stay relevant in the years to come.

www.ameliakallman.com

New technologies are changing the world faster than ever, and companies are struggling to keep up.

Future Advantage includes:

- **Futurist Presentation** including Q&A on new technologies and their impact on the future of business. May be customised to your sector or needs.
- **Experience Lab** lets people get hands on with the latest new technologies, from Augmented and Mixed realities to Virtual Reality, haptics and more.
- **Workshops** are team building, forward thinking exercises that give people the opportunity to think outside the box and explore new ideas. Choose from a range of creative scenarios, like *The War Room* or *2030 Vision*.

PRICING

Full amount to be paid prior to engagement.

REVIEWS

"Amelia set up a fantastic event about how future technologies will impact the airline and retail industries. The talk was hugely engaging, informative and left all feeling inspired. Amelia didn't just speak, but she set up and managed the whole event, which went on without a hitch." - *OMD*

"Amelia's presentation was phenomenal, so insightful and inspiring. I would definitely recommend her." - *Unilever*

"Amelia's understanding of technology is immense. Her growth and stature in the industry is built on hard work, a passion for innovation and integrity." - *One True Maverick Ltd.*

"Amelia gave an excellent presentation, full of energy and enthusiasm and wonderful insight." - *IMC Events Ltd*

"Amelia is an amazing speaker, impressive, storyteller, but also a great person."
- *Q Group Global*

“Learning and innovation go hand in hand. The arrogance of success is to think that what you did yesterday will be sufficient for tomorrow.”

William Pollard

Look forward to hearing from you!
